Basic FUNdamentals Class

If you've never taken your dog to a class before, or if you just want a refresher, this is the class for you. We will address all the basic commands, manners, distraction training and give direction to any annoying doggie habits you may be dealing with. We will help you establish a healthy, long-lasting relationship with your dog using Positive training. You will learn how to teach your dog behaviors such as sit, down, watch, come, stay, leave it, target, loose-leash walking, and more. Please note: The first week is an orientation session without your dog. This session is full of human examples and analogies to help you understand the ways that dogs learn, how these are similar to and different from how humans learn.

Tuition for Basic FUNdamentals is \$125.
